Application 03-12-024
(Filed December 22, 2003)

**ORDER CORRECTING ERRORS
IN DECISION 05-11-030**

The Water Division, in reviewing an advice letter effectuating rates for the Casmite Water System (pursuant to Ordering Paragraph 8 of Decision (D.) 05-11-030), has identified errors in Appendix B to the decision. The errors appear on page 2 of Appendix B. The errors are in the calculation of monthly service charges, for various meter sizes, for 2005, 2006, and 2007. The service charge for various meter sizes is based on the base service charge for a 5/8" x 3/4" meter.

The base service charge for a 5/8" x 3/4" meter that appears on page 1 of Appendix B for 2004, 2005, 2006, and 2007 is correct. Using this base service

charge, the Water Division has calculated the correct service charges for various meter sizes for 2005, 2006, and 2007. These corrected amounts are set forth in an amended page 2 of Appendix B (attached hereto), and this amended page 2 is hereby substituted for the original page 2, Appendix B, in D.05-11-030.

Case 03-09-001 and Application 03-12-024 are closed.

Under the authority of Resolution A-4661, **IT IS SO ORDERED.**

This order is effective today.

Dated July 28, 2006, at San Francisco, California.
